

End of Care Form

Oxanda Education would like to thank you and your family for allowing us the opportunity to grow and learn with your family. Families are required to provide a minimum of 4 weeks written notice of their intention to withdraw a child from the center. Please see our Termination of Enrolment & Fee Policies.

Please note: Australian Government Legislation states that CCS cannot be paid where a child does not attend on their last day (s) of care. Therefore, all **absences** after the last day of physical attendance at the center will be charged at full fee.
